

Flocked natural rubber gloves, offering elevated comfort and food handling compliance

- **Increased protection and convenience:** AlphaTec® 87-085 rubber work gloves are flexible, lightweight and feature tear-resistant beaded cuffs for easy donning and doffing
- **Food handling compliance:** As these unsupported protective gloves possess an AQL of 1.5, they are also suitable for food processing applications
- **Added durability:** AlphaTec® 87-085 abrasion-resistant gloves offer moderate durability when working in agriculture, food processing and chemical industries
- **Improved comfort:** These pink safety gloves feature 100% cotton flock lining, which ensures flexibility and elevated comfort

Industries

- Agriculture
- Food Processing
- Chemical

Applications

- Cleaning
- Agriculture
- All food processing applications that have food contact
- Fruit Processing
- Fruit and Vegetable
- Laboratory maintenance and clean up
- Janitorial use

AlphaTec™

87-085

Lightweight natural rubber glove with comfort & food compliance

Key Features

- **Beaded cuff:** Easy-to-don, tear and chemical-resistant gloves
