

AlphaTec™

23-200

Medium-weight PVC supported glove with cotton knitted liner

Previously known as: VersaTouch® 23-200

Comfortable medium-duty PVC gloves, for comfortable hand protection even at low temperatures

- **Added comfort:** Underneath their soft PVC coating, AlphaTec® 23-200 safety gloves feature a 13-gauge knitted cotton liner, combining excellent comfort with moderate mechanical and chemical protection
- **Enhanced grip:** Their dipped rough sandblast finish makes for better grip performance, even in wet conditions, for more confident handling and secure personal protection
- **Food handling compliance:** Suitable for various food processing applications, AlphaTec® 23-200 work gloves adhere to relevant FDA and EU food handling regulations

Industries

- Food Processing
- Food Service
- Chemical
- Janitorial / Sanitation

Applications

- Defeathering and skinning
- Primary cutting
- Deboning
