

CERTIFICATE OF CONFORMITY

Number of the certificate of conformity: **INERIS N° 91253/07**

Apparatus or material:

Disposable Respirator TYPE WILLSON 5211 M/L

Manufacturer: **Bacou Dalloz Plaintel SAS**

Address: **ZI de la Gare
F - 22940 PLAINTEL**

This apparatus or material is described in the descriptive documents quoted here after :

- Drawing WILLSON 5211 M/L, n° : 0012PhB12-1P-0-11 (1page) signed on 2001.06.19
- Technical file ref : 1005586 (3 pages) signed on 2001.05.09

The tests and verifications carried out by the Institut National de l'Environnement Industriel et des Risques (INERIS), Industrial and Commercial Public Establishment, founded by ordinance No. 90-1089 of 7 December 1990, indicate that this apparatus or material complies with:

- The annexe C of the standard EN 13463-1 : 2001, Directive 94/9/EC harmonised standard.

This apparatus or material can be used in explosive atmospheres, according to its electrostatic properties, in the following domains:

- Surface industry : Dust atmospheres in the hazardous areas 20, 21 et 22 (according to the directive 1999/92/EC).
Gas atmospheres for group IIA and IIB the hazardous areas 0, 1 et 2 (according to the directive 1999/92/EC).
- Mining industry : Any type of extraction and any depth.

The examinations and the tests are consigned in confidential report No P91253/07.

Verneuil-en-Halatte, 2007.08.14

A handwritten signature in blue ink, appearing to read "C. Michot", is written over a horizontal line.
